

WHAT HELP IS AVAILABLE FOR PARENTS

CHILDCARE can be a costly business. Here is how you can get help:

***30 hours funded childcare** - Parents of children from 9 months old / 2yr old children can apply for 30 hours of funded childcare a week.

To qualify you must work at least 16 hours a week at the national living or minimum wage and earn less than £100,000 a year. Parents of three- and four-year-olds can apply for 30 hours of funded childcare a week.

To qualify you must work at least 16 hours a week at the national living or minimum wage and earn less than £100,000 a year.

***Universal Credit**- For children under 16, some working families can get up to £122.50 a week depending on their income to help with childcare costs.

***Tax-free childcare** - Available to working families and the self-employed, for every £8 you put in the Government will add an extra £2. You have to release your money into your HMRC childcare account, wait for it to clear through their systems (anything from 1-3 working days) then once it's showing in your account you can then release it in to the nursery account which can take anything from 3-5 working days.

***We are OFSTED registered and are able to accept all the above schemes**

***PLEASE NOTE THAT IT IS THE PARENTS RESPONSIBILITY TO MAKE SURE YOUR FEES ARE PAID ON TIME**
